## Construction Contracts, You Write the Law (Construction Standards, Building Codes)

In this class we will review your construction contract and help you build a better one. We will consider the IRC/IBC code standards, industry standards, and the standards enforceable at court. You will develop a better idea of the required construction standards and contract provisions that will help you be a better builder and run a better business.

---

*Robert Jensen was raised in Southern Utah, worked in his family's construction business, and put himself through undergraduate and law school pouring concrete. He has developed a reputable construction, business, and real estate law practice, customizing contracts, negotiating transactions, and successfully prosecuting contracts, liens, bonds, and other claims.*

*Robert lectures regularly and works with businesses from formation through complex transactions and litigation. Robert has been recognized several times as one of "Utah's Legal Elite," in the areas of Construction, Contracts, and Real Estate.*
