Contractors Navigating the Ever-Changing Tax Landscape – Planning and Preparing

We will be discussing current and future tax implications for Construction businesses and individuals due to new and existing legislation, as well as entity structure, tax planning and tax credits.

***Todd** began working for HintonBurdick CPAs and Advisors in 1998 after graduating with his Master's degree in accounting from Southern Utah University. He has been a partner at HintonBurdick for 15 years and has extensive experience in compiled and reviewed financial statement preparation, especially in the construction industry. Todd also works closely with the firm's advisory committee, which assists clients with their accounting systems and business consulting needs. He has experience in new business organization as well as business and individual income tax preparation in a variety of industries including hospitality and construction. Todd is married to the lovely Jennifer Feltner and has four sons and a daughter. He is also the proud Grandpa of one granddaughter and is more than happy to show pictures.*

***Tanner** began working for HintonBurdick CPAs and Advisors in 2016. He graduated with a Master's degree in accounting from Southern Utah University after attending Dixie State University for his bachelor's degree. While going to college he played basketball at Dixie State for a year and later participated in College Rodeo for a year as well. He enjoys any sport including Golf, Basketball, Baseball and Rodeo. Tanner is married to Shandi Atkin and they are expecting their first child later this year. Ever since Tanner started at HintonBurdick he has worked with contractors. He has extensive experience helping contractors with business and individual income tax preparation, reviewed financial statements, new business organization, monthly accounting services, and QuickBooks setup. Tanner also helps train new contractors obtaining their license each month for the organizations Southern Utah Home Builders and Associated General Contractors.*
